SUBJECT: Response to request to delay labeling changes for sodium  
acifluorfen until final groundwater report is reviewed

Dear Ms. Blundell:

This letter is in response to your October 23, 1992 request concerning our requirement that a groundwater advisory be added to all sodium acifluorfen products and that these amended labels be submitted within 90 days. We are hereby rescinding the requirement of a 90 day response as imposed in our October 15, 1992 letter. We will contact you later regarding our review of the final report.

If you have any questions regarding this letter, please call the Chemical Review Manager, Tom Luminello, at (703) 308-8075.

Sincerely yours,

Jay S. Ellenberger, Chief  
Accelerated Reregistration Branch  
Special Review and  
Reregistration Division
